

OCTAGON PLACERS

Octagon Placers

- Lightweight aluminum design
- Octagon profile provides an edged surface, which greatly increases grip
- Powder coating keeps hands from turning black from oxidation
- Braced for additional strength
- Available with open angle or standard blade
- Handle measures 60" X 1 1/4" (1524mm X 32mm)
- Sold 5 per inner pack / 5 per outer pack
- Must ship LTL

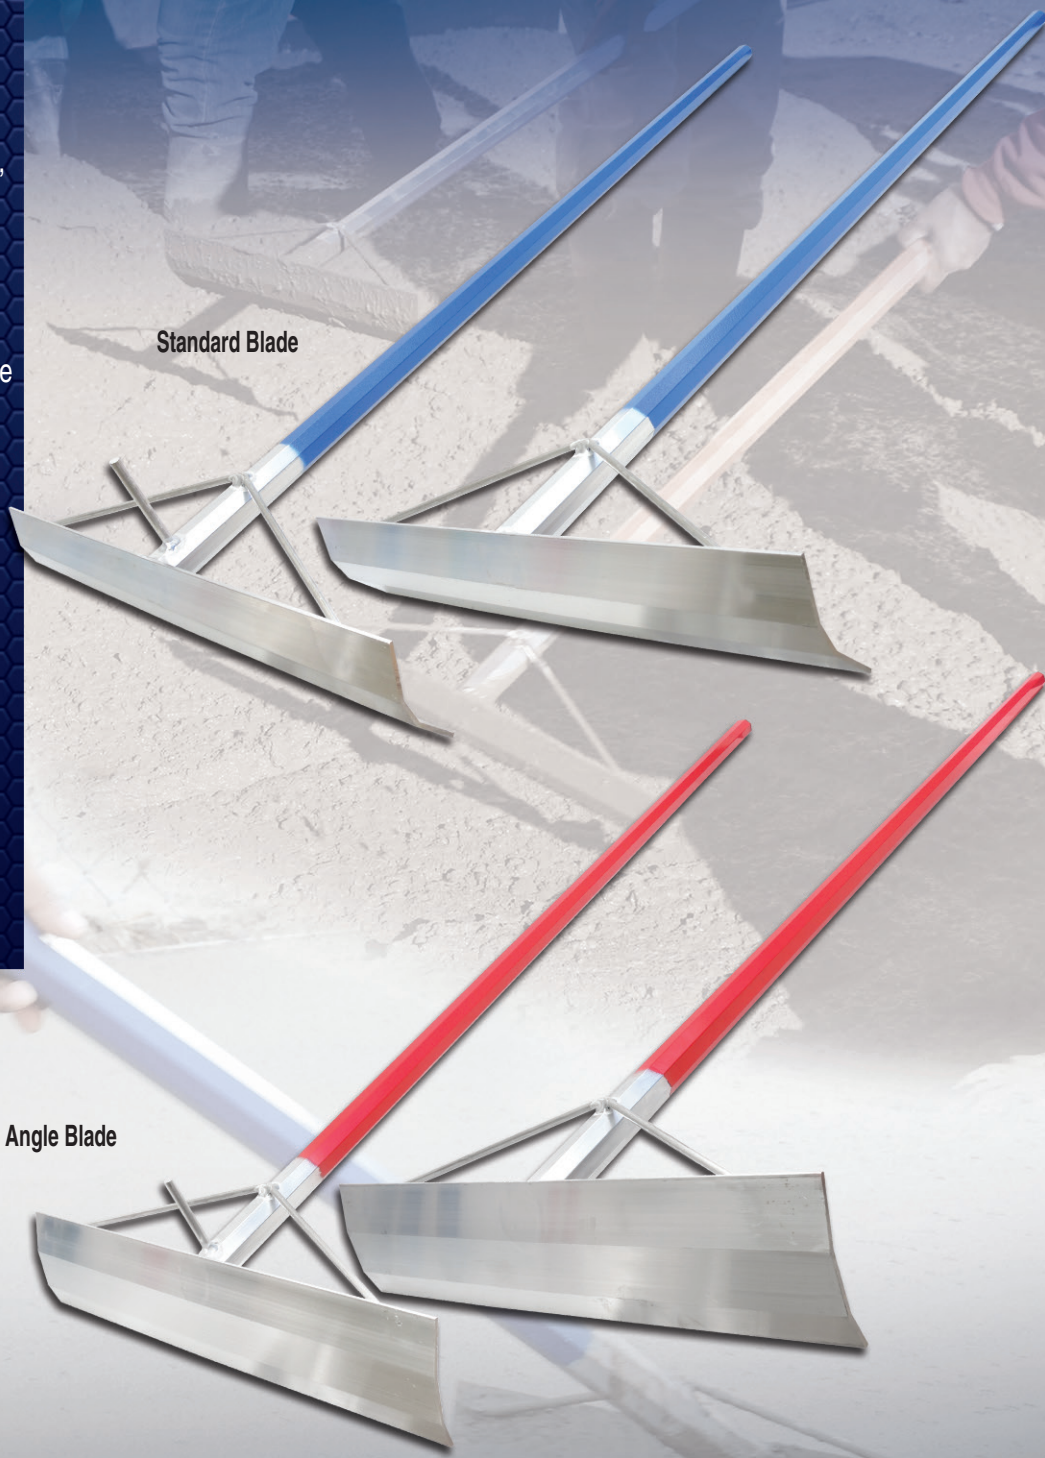

U.S. Patent No. D804.266

Made in USA

With Global Materials
