ENJOY THE CONVENIENCE OF CORDLESS BATTERY POWER WITH NO LOSS IN SPEED

Powered by Milwaukee® REDLITHIUM™ Battery Technology

E12 - 10oz Cartridge

- **POWERFUL** – up to 400 lb_f for dispensing standard materials.
- **FAST** – Dispense a 10 oz. cartridge in 16 seconds.
- **LIGHTWEIGHT** – 30% lighter than our 18V models.
- **INCREASE PRODUCTIVITY** – Constant uniform flow of material with no oscillation under load.
- **TOTAL CONTROL** – Set maximum speed rate and fine tune with variable speed trigger.
- **NO DRIP** – Rod reverses instantly when trigger is released.

E12Q - Quart Cartridge

E12S20 - 20oz Sausage

**High-Thrust 18V guns also available for cartridge, sausage, bulk and multi-component applications.*

ADDITIONAL FEATURES:

- Swivel barrel, ladder hook pull, and puncture wire (E12 only).
- Comfortable rubber overmolded handles.
- Milwaukee® REDLITHIUM™ battery compatibility improves power accessibility in the field.
